NO STANDARD PRICE ON SHOES POSSIBLE

Pluctuating Costs Make Control Difficult-Hides and Skins Decline.

Searon, Sept. 10.—There is no such her as a standard price for shoes based her on actual cost or replacement for reason that both leather and labor subject to shifting price conditions which no one has any control, says Shoe and Leather Reporter this

thos manufacturers are described as my "creatures in the hands of fate." my have no absolute data upon which now sending salesmen out to show. come are talking "replacement" as the reper basis of prices while others claim to have bought leather ahead at old rates as express willingness to share their nod fortune with their customers. As a er of fact no one knows what the

To the tanner this mot spell cheaper leather for the ison that the extreme quotations for maker received a check that was welmed by no one so much as the tanners. There is nothing in sight to indicate a mip or even eagerness to sell. Low ade leather can be bought somewhere buyers' ideas, but that was the situon long ago when buyers were refusnners have the utmost confidence the future of values, especially in view of the fact that export duties on hides and skins are being imposed by foreign

User Discount Terms Be Enforced.

As a contribution to the campaign to reduce high costs, and in line with a desire to defend the integrity and charcter of business, the National Associ-tion of Credit Men announced yester-ay that it will continue to fire full adsides at trade abuses during the "In this day, when it is our duty to

cast off costly abuses and burdens, we appeal for the observance of cash discount, terms," reads a communication mailed to its 29,000 members throughout the sountry.

If commodities are bought and delivered the country of the sountry of the sount

ed on specified terms, these terms should be lived up to, emphasizes the association, pointing out that whenever the cash premium is demanded and granted after its extension then a burden has been imposed on business, the contract of purchase has been broken and the integrity of the contract as-

Medicinal Drug Situation Acute The situation in respect to medicinal frugs is becoming acute and prices are still tending upward, according to Drug and Chemical Markets. Sharp breaks in prices of products in the vegetable oil list took place during the week. Cotton-seed, soya bean, cocoanut and peanut oils are all lower. The essential oil market is easy. Lemon oil is lower, while het is easy. Lemon oil is lower, while menthol and peppermint oil are higher on reports of scarcity and holders are

In heavy chemicals bichromate of pot-sh is in good demand and prices are Orders for white arsenic are pooked far ahead. Carbonates of potash are searce and dearer; bleaching powder in thigher, while caustic soda and soda sh prices are unchanged.

There is an active demand for domeste colors in the dye market.

The general rate COMMERCIAL for day to day money was 4½, higher rates being paid in some quarters. A moderate amount was berrowed from the Bank of England at 5½ for the week.

THOROUGHNESS is the keynote of the Packard method of business training. Each student receives

attention according to his requirements. Unprecedented demand for Packard graduates to fill positions of responsibility as bookkeepers, accountants, stenographers and secretaries.

Building specially constructed for school purposes with every requisite for the safety, health and comfort of the student. Day School now open.
